CIVILIAN RIDERS REQUEST

ALL REQUESTS, WAIVERS AND OTHER ATTACHED FORMS MUST BE
COMPLETED BEFORE APPROVAL

CIVILIAN RIDERS

PROCEDURE

Any Civilian who wishes to ride on Fire Department apparatus and/or vehicles shall comply with the following procedures:

1. Submit a signed waiver of liability to the Fire Chief.
2. Submit a waiver at least two days in advance of the date the person is requesting to ride.
3. Submit a Riders Request completed and signed to the Fire Chief.
4. Submit Riders Request at least two days in advance of the date the person is requesting to ride.
5. Read and sign the Riders rules, regulations, and conduct form.

The Fire Chief or his designate shall:

1. Approve or disapprove the request to ride.
2. Make arrangements to contact the rider and verify times and dates.
3. Assign rider to appropriate apparatus.
4. Forward original waiver to clerical staff for filing.
5. Forward a signed, Riders rules, regulations, and conduct form along with any other special instructions to the crew and/or officer that the rider will be riding with.
6. May grant special permission for unusual situations, issue special instructions and/or restrictions based upon his/her sole discretion.

RIDERS RULES, REGULATIONS, AND CONDUCT

1. Riders shall be dressed in appropriate attire. Clean uniforms, pants, and/or blouse. No t-shirts with inappropriate graphics or writing are allowed. Riders must be dressed in a neat and clean manner. No baseball type hats are to be worn.
2. The rider will ride only in and with the assigned crew and apparatus. The person in charge can assign other temporary arrangements should the need to transport the rider back to the station or other location arise.
3. The rider will follow all requests made of him during the time that he/she is in the station, on apparatus, or at the scene of an incident.
4. The rider will not be allowed to enter any dangerous location, operate dangerous equipment, or directly participate in any emergency activities or drills that could be dangerous or cause harm to the rider. Riders will not be allowed to drive or operate any vehicles or apparatus.
5. If requested by Fire Department personnel, the rider will remain in the apparatus or at the station during any routine or emergency response.
6. Riders will be allowed to only ride with career personnel and during the hours that career personnel are on duty.

**EMERGENCY VEHICLE RIDER
WAIVER/RELEASE**

In consideration of receiving permission from King County Fire Protection District 44, Mountain View Fire & Rescue, to ride as an observer in Emergency Vehicles, owned and operated by the Fire District during Emergency and Routine responses and business, the undersigned hereby releases King County Fire Protection District 44, its Commissioners, agents, officers, and employees of and from any and all liability, claims, demands, actions, and causes of action arising out of or related to any loss, damage or injury, including death, that may be sustained by the undersigned, or any property of the undersigned while in or on the premise of the District or in any emergency vehicles owned or operated by the District.

The undersigned is aware of the risks and hazards inherent in riding in emergency vehicles while responding to or returning from an emergency response call. The undersigned hereby elects voluntarily to enter the District premises and occupy District vehicles and assumes all risks that may be sustained during such activity.

This release shall be binding upon the heirs and personal representatives of the undersigned.

THIS FORM MUST BE ATTACHED TO WAIVER

**INFECTIOUS DISEASE
BLOODBORN PATHOGENS
BIO HAZARDS**

Emergency medical and/or other related incidents can expose emergency workers and any other personnel to potential contamination by infectious diseases and/or Bloodborn pathogens. This includes but is not limited to; HIV, AIDS, Hepatitis, TB, and many other related life threatening diseases. Many of these infectious diseases have the potential to cause illness and death. At no time will a civilian rider be allowed at or placed in a situation that contributes to exposure of infectious disease or bloodborn pathogens. Fire Department personnel are specially trained and provided with protective equipment and inoculations to protect from Bio Hazards.

Civilian Rider will **NOT**:

Enter areas that have potential **BIO HAZARDS**.

Ride in or enter contaminated or potentially contaminated Fire Department Vehicles.

Enter emergency scenes that are contaminated or potentially contaminated.

Be exposed to, handle or in any other way make contact with any Bio Hazard materials, contaminated or potentially contaminated areas, vehicles, incident sites or equipment.

Enter any area, vehicle or space that has potential contamination from or by victims, patients, or other infectious, contaminated or potentially contaminated persons.

It shall be the responsibility of Fire Department personnel to see that Civilian Riders are not placed in or at contaminated or potentially contaminated areas.

It shall be the responsibility of Civilian Riders to follow the direction of the Fire Department personnel to prevent exposure to Bio Hazards.
